PROFESSIONAL OVERVIEW

Detail-oriented and highly organized Video Editor with 9+ years of experience focusing on highly creative and emotional storytelling. I have worked on award-winning commercial, pharmaceutical, retail, hospitality, narrative, and corporate projects with various clients and stakeholders. My work showcases my creativity, resourcefulness, problem-solving skills, and a surprising knack for comedic timing.

WORK EXPERIENCE

Video Editor | Real Chemistry - 21GRAMS, Remote-NY JAN 2024 – PRESENT

- Collaborates with pharmaceutical clients and creative teams from inception to finishing to create compelling video advertisements for a variety of platforms
- Edits long and short form content, including social, commercial, narrative, documentary, and corporate-style videos following approved branding and legal guidelines
- Awards: Cannes Gold Lion, MM+M, Clio Health, D&AD

Freelance Video Editor | FL/NY/CA MAY 2017-PRESENT

- Collaborates with clients and crew from pre-production through finishing stages within scope to meet hard deadlines and reach designated audiences
- Assembles, edits, and finalizes long and short form film and video content for clients for multiple screening platforms, including sound design, mixing, color correction, motion graphics, and more
- Clients: Coca-Cola, Publix, Echelon, Diligent, Legacy Vacation Resorts
- Awards: Addys, Tellys, Suncoast Emmys, College Emmys

Digital Asset Manager | Florida Film Festival JAN 2020 – APR 2024

- Develops delivery guidelines for films accepted into each program to ensure consistency and playback efficiency during screenings
- Ingests DCPs, short films, and transcodes video files to correct codecs for festival screenings
- Collaborates with Regal Cinema crews and oversees projections booths during festival screenings
- Creates Playback Pro playlists, sets cues for sound levels and theater lighting for festival screenings
